Scrapbook Adhesives™ by 3L

Designed to Make Your Creativity Last™

3L Consumer Products A/S has more than 40 years of experience designing adhesives for the creative industry. In 2004, we launched the SCRAPBOOK ADHESIVES BY 3L™ brand with the focus of providing a full-line of rigorously tested and approved adhesives that are safe for all your crafts.

ISO 18932 APPROVED™

Look for this seal on our packaging!

The ISO seal is our promise and your guarantee for all products being:

• **Acid free** – No weakening of paper or top-coating of photos
• **Archival safe** – No reaction with typical craft materials like photos and paper
• **Acrylic based adhesives** – No bleeding through the paper
• **Lignin free** – No yellowing of paper
• **PAT** – Photographic Activity Test, tested and approved

Environmental Concerns

Watch out for green-washers! Being green has never been a marketing trend for SCRAPBOOK ADHESIVES BY 3L™.
For us, it's simply just the right way to manufacture products.

With our products, you can be assured all the following standards are met:

•All packaging is made with at least 95% recycled materials and 100% recyclable.
•All cardboard packaging is made from FSC certified suppliers.
•Production waste properly eliminated by always separating materials for recycling & proper disposal.
•An average of 15% wind power is used in all our production processes.
•Our vendors and suppliers abide by the same energy efficient production standards.
•Our preferred vendors are local to ensure a smaller carbon footprint and enhance sustainability of our environment.

Healthy Working Conditions

From the employee that packs the product or designs our machines to the VP of Sales, everyone here at 3L Consumer Products takes immense pride in our work. We're comforted in knowing 3L provides a safe working environment that encourages togetherness and the sharing of ideas. Every product we manufacture is done so with adherence to all Danish/European manufacturing regulations.
