

► Serie Saturno Para Chip LED COB

COB LED Chip

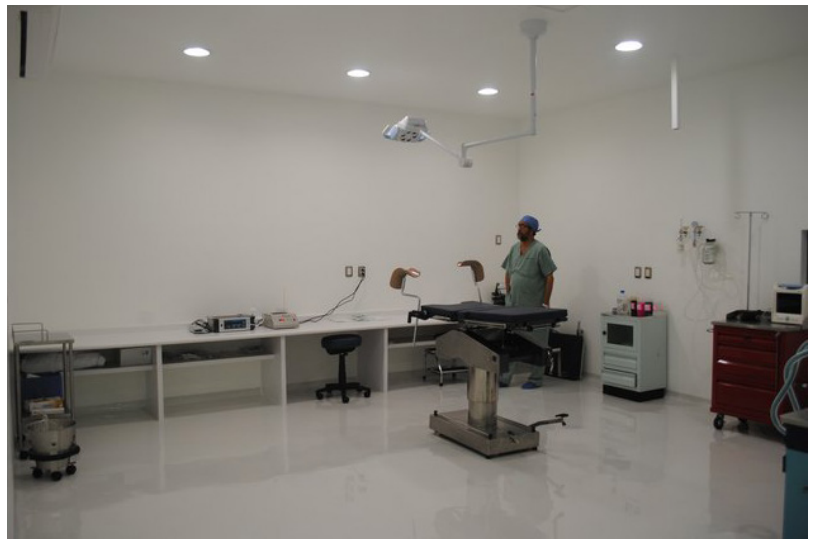

- ✓ Familia de downlights de empotrar para zonas estériles IP-65.
- ✓ Fabricado en aluminio anodizado de pureza 99,9% para obtener el máximo rendimiento con el mayor confort lumínico.
- ✓ El cristal es templado con juntas de estanqueidad, tanto al aro como al techo.
- ✓ **Fuente Lumínica.** Chip COB LED de alta luminancia y driver multipotencia.
- ✓ **Óptica SV0:** Difusor Frost White Special LED, garantiza un gran confort visual y una óptima distribución lumínica.
- ✓ **Accesorios:** RA (Regulación Analógica 1-10V), RDali (Regulación Digital Dali), Sensor de luminosidad, Kit de Emergencia.

- ✓ Family recessed downlight IP65 for sterile areas.
- ✓ Made of anodized aluminum of 99.9% purity for maximum performance with higher light comfort.
- ✓ Tempered glass is gasketed, both the ring and the roof.
- ✓ **Light source.** High quality luminance COB LED chip and Multiwattage driver.
- ✓ **SV0.** Frost white special LED diffuser ensures visual comfort and optimum light distribution.
- ✓ **Accessories:** RA (Analogic Dimming 1-10V), RDali (Digital Dali Dimming), Lighting Sensor, Emergency Kit.

Chip COB LED: 50.000 h. CRI>80
3000K. 4000K. 6000K.

Modelo Model	Consumo Consumption	Flujo Luminoso Luminous Flux	Medidas Measures	
			Exterior	Corte
SATURNO Mini 11w	11w	1.825 Lm	150mm	125mm
SATURNO Mini 16w	16w	2.500 Lm	150mm	125mm
